HERE'S WHAT VMP CAN OFFER YOU.....

A fair pay scale.....a liberal vacation plan.....group insurance.....paid sick leave.

VMP offers other employee benefits. There's real opportunity for advancement. The majority of people in our supervisory-administrative group are local folks - born and reared in the "five county area." Most of them "started from the bottom."

Virginia Metal Products is a growing, progressive company. In spite of a serious business recession, company sales were at an all time high. VMP, Orange County's largest industrial firm, designs - manufactures - installs its full line of products. This means job opportunities for nearly every manufacturing, engineering and clerical skill.

Maybe the most important benefit of working with VMP is the chance to continue your role in the social and religious life of your community.

You would be working with your friends in a company large enough for your own personal growth.

Our Personnel Manager, Mr. Ermal A. Robinson, would be happy to speak with you. Just telephone Orange 2651 for an appointment.
